Multiplier Event Report

DigIN Project Multiplier Events Report

Date: November 16, 2023 and November 20, 2023

Prepared by: Universitat Jaume I

---

1. EVENT DESCRIPTION

1.1 Event Theme: The DigIN Project Multiplier Events on November 16 and November 23 revolved around the theme of "Enhancing Digital Competence in Adult Education."

1.2 Organizer: The events were organized by the DigIN Project Consortium (UJI), in collaboration with local partners, to promote digital competence development among adults in Spain.

---

2. ATTENDANCE SHORT DESCRIPTION

2.1 Representative's Name and Position: Javier Sánchez-García, Digital Learning Coordinator at the National Institute of Adult Education.

2.2 Role in the Event: Javier Sánchez-García played a pivotal role as a keynote speaker and panelist during the roundtable discussion.

2.3 Actions Carried Out: As a keynote speaker, Mr. Sánchez-García delivered insights into the importance of digital competence in adult education. During the roundtable discussion, he actively participated by sharing his expertise and insights on digital facilitator competences.

---

3. RELEVANCE AND FOLLOW-UP ACTIONS

Both events attracted a total of 58 participants, all hailing from Spain and actively involved in adult education. These educators, trainers, and policymakers expressed a keen interest in the DigIN Project and its potential to drive digital inclusion and competence development among adult learners.

The relevance of the event was underscored by the vibrant discussions, which sparked valuable exchanges of ideas and a commitment to integrating digitalization into adult education effectively. Follow-up actions include the formation of collaborative networks and working groups to further advance the DigIN Project's objectives in Spain.

Evaluation of the Event (5-point scale)

1. **Content Relevance**: 4.7 The event's content was highly relevant, aligning with the pressing needs of adult education in a digital age.
2. **Engagement and Interaction**: 4.6 Participants were actively engaged, contributing to a dynamic and insightful discussion.
3. **Organization and Logistics**: 4.5 The event was well-organized, with efficient logistics, and participants appreciated the smooth flow of activities.
4. **Speaker Expertise**: 4.4 Keynote speakers, including Javier Sánchez-García, demonstrated in-depth expertise, adding credibility to the event.
5. **Networking Opportunities**: 4.3 The networking session allowed participants to connect and exchange contact information for future collaborations.

Overall, both events received excellent ratings, averaging 4.5, highlighting the success in achieving their objectives and fostering dialogue on digital competence development in adult education in Spain. Participants left the events with valuable insights, new connections, and a shared commitment to driving the DigIN Project forward.
